

## Use of Image Authorisation

"Musicart Sarrià" has on the Internet a web space where it informs and disseminates its activities. There are also diverse publications on paper and audiovisual format.

On this website images or audiovisual formats might appear, individually or as a group, students performing the aforementioned activities.

Given that the right to one's own image is recognized in Article 18.1 of the Constitution and regulated by Law 5/1982, of May 5, on the right to honor, personal and family privacy and one's own image, the Administration of this school asks the consent of the parents or legal guardians to be able to publish photographs or audiovisual support where their children appear, and these are clearly identifiable.
